## HVJ Associates

*Geotechnical, Construction Material, Environmental and Pavement Engineering Services*

### **Success Story:** **Herbert V. Johnson, P.E. HVJ Associates**

Herbert V. Johnson, PE, established HVJ Associates in 1985. HVJ has become one of the largest specialty, minority-owned engineering companies in Texas. HVJ prides itself in consistently listening to their clients' needs and in building their technical capabilities and expertise, providing intelligent analysis of projects and always providing value-added service. HVJ is now recognized as a leader in their field of expertise and for their knowledge of Texas' soil conditions.

HVJ has offices located in Houston, Dallas, Austin and San Antonio. The firm has continued to provide quality, cost-effective specialty services for many landmark projects throughout Texas. HVJ is proud to have participated in many projects that received the Consulting Engineers Council of Texas (CEC-Texas) Engineering Excellence Awards. HVJ Associates is a City of Houston certified Minority-Owned and Disadvantaged Business Enterprise.
